

To get your Buffalo Place Concert Series iPhone App, follow these simple steps. Droid & Blackberry may be slightly different.

- Go to mobile.buffaloplace.com on your smartphone browser.
- When the application starts running, select the + or  at the bottom of the browser display.
- Select 'Add to Home Screen' option.
- This will display the App icon to you. Select 'Add'.
- The App icon will add itself on your smartphone Apps list.

See you there!

Note: This web app is not available through iTunes or the App Store.
